ROTARY INTERNATIONAL

Short Term Exchange Program (STEP)

SUMMER FAMILY-TO-FAMILY EXCHANGE 2021

What is STEP?

The Short Term Exchange Program (STEP) is a summer exchange between families. Your Outbound student lives with a foreign (Inbound) student's family for approximately one month and then both students return to USA or Canada where the Inbound student lives with your family for another month. STEP allows students to experience another culture, country, and language. It offers a fun learning opportunity while building lifelong friendships and broadening their horizons by increasing awareness, knowledge, and confidence.

Rotary International has sponsored youth foreign exchange programs for more than 50 years with the goal of building international goodwill and understanding. Exchanges generally occur from June through August. Some southern hemisphere countries have split-season exchanges with American students traveling in July-August and your foreign brother/sister visiting in December-February.

Would you be comfortable traveling away from home for 4 weeks or more?

Do you make friends easily with both adults and people your age?

Do you have a sense of humor and a positive and enthusiastic outlook?
